

JULY

The Friendship Company July 2016

Dear Parents,
We are having a great time at The Friendship Company! We hope that everyone is having a great summer. Before we know it, summer vacation will be over and school will be starting up once again. The official start date of

our Fall program is Monday, August 8th. If you have any questions about our July activities, please let us know.

McAlister's and Cold Stone Fundraiser!

We are having a dine-out fundraiser on Wednesday, July 13th from 5:00-8:00pm at McAlister's and Cold Stone in Shiloh. Please do not feel obligated to eating at both places. We will have a few staff members at each location to fellowship and socialize while eating some delicious food. If you have any questions, please see Ms. Kristi in the office.

Water Bottles

Your child and teachers thank you for bringing in water bottles for daily use. We have been using them to stay hydrated throughout the day. If you haven't brought one in yet, please bring a water bottle clearly mark with your child's name. Thank you!

Splish, Splash!

Water days are a great way to stay cool in the summer heat. The children enjoy playing at the water

tables and running through the sprinklers every water day. Children should come to school already dressed in swimsuits.

They need to bring:

- a towel
- flip flops/water shoes
- dry clothes to change into

PLEASE be sure to mark all of your child's belongings. Also, children in diapers need to bring two Little Swimmers diapers.

Thanks

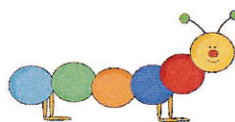

to everyone who contributed to our sno-cone days in June.

For the month of July, our sno-cone/water days will be July 8th, 14th, 22nd, 28th.

To help defray the cost of this activity, we are asking that parents whose children attend on these days add \$12.00 to their July tuition.

IPM Plan

This month our pest control inspector will be here on Friday, July 8th. A summary of our *Integrated Pest Management Plan* can be found in the Parent Handbook.

We are Closed on Monday, July 4th!
